Terms and Conditions

This Pre Disaster Agreement provides client with all benefits outlined in the PDA benefits Flyer on all BioResponse, Corp. services and priority response over non-PDA clients. Client agrees to use BioResponse, Corp. for all Water, Mold and Fire Services. This agreement expires December 31st of the year executed or the following year if executed after July 1st. []

BioResponse, Corp. is hereby given authorization and consent to protect and secure property from further damage. In doing so, BioResponse, Corp. is acting solely for the undersigned and not for any insurance company, landlord, property manager, tenant, or any other third party or parties, companies, or any of its representatives. []

BioResponse, Corp. is hereby given authorization and consent to remove contents and/or parts of the dwelling as necessary for the purpose of safekeeping, inventory, testing, and appraisal or to commence restoration of contents or dwelling. BioResponse, Corp. will provide services as outlined in the scope and will not be responsible for services outside the scope that are required to return property to pre-loss condition. BioResponse, Corp. will not accept liability for undersigned's failure to have additional drying/restoration work completed. BioResponse, Corp. is hereby given authorization and consent to perform all services in accordance with industry standards and protocol. Further, BioResponse, Corp. is not responsible for foreign dormant contamination or pre-existing damages. []

BioResponse, Corp. is hereby given authorization and consent to apply EPA registered disinfectants/sanitizers or other such antimicrobials as necessary to limit microbial growth. []

This authorization covers all services emergency mitigation and restoration services for the first 48 hours or next business day. An additional work authorization will be signed onsite for the remaining emergency services and repairs. []

Price Guarantee

BioResponse, Corp. will bill emergency response services at pricing in line with Standard acceptable insurance reimbursement rates.
