- Water Restoration
- Fire Restoration
- Mold Assessment and Remediation
- Bio-hazard Restoration
- Hurricane Restoration

YOUR FIRST STEP TO MOVING ON

Preferred Vendor to or Certified by:

BioResonse was chosen by the Florida Department of Health as the only authorized decontaminator of Category A infectious disease (Ebola).

Professional response for commercial and residential emergencies

BioResponse has been serving South Florida residents, businesses and governmental agencies since 2005. Time and again we've been chosen for the toughest remediation jobs for fire, water, mold and bio-hazard emergencies. BioResponse has never closed for a single day, and we are always prepared with a rapid reponse.

We are the largest bio-hazard cleanup company in South Florida

We are trusted as the primary vendor by the Florida Department of Health, University of Miami and Miami-Dade International Airport in the event of Category A (Ebola) contamination. Our reputation and experience guarantee expertise in cleanup of every type and use.

Commercial emergency restoration services

Whether you run a small business or manage a large commercial complex, BioResponse is here for you. As first responders, we understand the need for speed. No matter the issue, no matter the size, we will get you back to business as quickly as possible.

24/7 SERVICES EXCEEDING ALL SAFETY STANDARDS

Our services exceed all O.S.H.A. and Florida Department of Health safety standards.

Free Educational Programs and Certified State Training

- State-certified Continuing Education Course (bio-hazard) for LCAM.
- Education class for maintenance personnel on small water events.
- Lunch-and-learn programs for property managers and board members.
- Hurricane preparedness class for occupants (owners and renters) of residential and commercial buildings.
- Pre-disaster Agreement (PDA), ensuring service in the event of a Hurricane. Includes preparedness assessment and training.
- Informative newsletter concerning South Florida property management news.

WATER

When water damage strikes, rapid response is essential. Left undried, water converts to potentially hazardous mold. BioReponse acts fast with all available equipment to reduce damage. Our experience and state-of-the-art drying equipment will help restore affected areas as quickly as possible.

FIRE

The effects of fire are far-reaching, leaving a property covered in soot, trenched in water, and with the pervasive odor of smoke. BioResponse professionals are highly trained in efficiently restoring affected areas to their pre-incident condition.

MOLD

We are Florida-licensed mold remediators with experience handling thousands of mold exposure calls to assess, remove and prevent future growth of mold. Our remediation teams have one goal in mind: your safety. BioResponse acts immediately to mitigate the spread of mold throughout your home or business.

BIO-HAZARD

BioResponse is Miami's largest bio-hazard cleanup company. Working with local, state and federal governments, as well as private businesses and individual residences, our bio-hazard services include:

- Unattended deaths
- Hoarders
- Vehicle fleets

Hurricane Disaster Specialist

We can help you recover from a Hurricane Disaster, for more details, write to us at info@bioresponsecorp.com or call us at 855-887-4272.

WHY CHOOSE BIORESPONSE?

Top 10 reasons why property managers and large organizations choose us:

- 1** 24-7 rapid response. We've never closed a single day in more than a decade.
- 2** Trusted vendor for some of South Florida's largest public and private entities, including Miami-Dade Transit and Housing, City of Miami Police Department, City of Miami, City of Miami Beach, University of Miami, Florida International University, plus global hotel chains, realtors, property managers, developers and others.
- 3** Fully licensed, insured (including workers comp), IICRC and O.S.H.A trained, and registered with the Florida Department of Health. Licensed mold remediator and general contractor.
- 4** Authorized to offer State Certified Continuing Education Courses, including Bio-hazard for LCAM and assessment and training programs.
- 5** Company built and modeled after the National Firefighters Code of Ethics, training and culture. Hazmat firefighter owned and operated.
- 6** Largest and most reputable Bio-hazard response team throughout South Florida.
- 7** Emergency board-up and other value-added services.
- 8** Collaborative approach to working with property managers and insurance adjusters.
- 9** Professional detailed communication and documentation of loss.
- 10** Protecting the interests of our customers from start to finish.
